After this meeting I have a clear view of the next steps/ activities to do. It was a good organization

The form is well structured with all the necessary questions

it was all ok

We are almost ready!

I am pleased with the meeting we had and believe that we covered every topic that we were about to discuss in Riga

...

Everythings was ok

-

Dissemination activities are very crucial in the lady part the project.

I think it was very complete

Everything was ok, and we reach topics

Q10: Suggestions - concerning the next steps of the project, how could you like to contribute?

Provide more proves of our activities in school and with entrepreneurs

I would like to become more involved in the project on behalf of our partner, we have an intensive time to share activities and meetings at school ahead of us. It will be happening!

to make the best training we can for the guys of Kavalas

Yes

I would like to continue to be involved in the project as I have done so far and I believe that the project is developing appropriately.

...

the next step will be to organize a very interesting event multiplier

We must improve the sharing of the results of evaluation with the coordinator.

Making video or photos of the sessions

make a good multiplayer event to show our product
